

TRUFFLE & WINE

*Hidden from our eyes,
in the beautiful Chianti hills,
exactly under our feet, there is a treasure!*

What is this treasure? Is it a rare mineral? Does Tuscany have gold or diamonds caves? Even better, the precious white and black truffles!

Truffle is one of the most precious and rare ingredients which can be used in the kitchen and Tuscany is one of the more important region for truffle production.

Ruffino with its excellent **wines** is the best match for a super lunch based on home-hunted truffles!

Come to visit us and try the emotion to walk among the Chianti hills and searching for truffles helped by a professional truffles hunters and his lovely dog. After the truffle hunting we will change location and we will move to Poggio Casciano estate to enjoy a rich lunch with the truffles found paired with the top Ruffino wines.
